

BOUFFANTS

Worn in environments where it is necessary to prevent minute particles from reaching products or equipment.

Latex-free

These products are made without natural rubber latex and eliminate irritation to those sensitive to latex.

FLAT PACK BOUFFANT CAPS

Handsewn for comfortable fit. Three colors: blue, white and green. Packed in Poly Bag or Dispenser Box.

B4HS 18"; **BI4HS** 21"; **BIX4HS** 24"; **BIXX4HS** 28"

PLEATED BOUFFANT CAPS Soft and roomy with latex-free elastic. Because of our innovative, fully automated manufacturing system, there is no human contact with the bouffant during the manufacturing process. These caps are untouched until you are ready to wear one!

Three standard colors: white, blue and green and two custom colors: yellow and pink. Available in our unique FirsTouch™ Dispenser designed to hang on the wall for easy access. Also available in Clear Twist Tie Bag or Dispenser Box.
B4 18"; **BI4** 21"; **BIX4** 24"

Caps can be made in larger sizes or in a color of your choice depending on quantity.
Call 800-523-3814 for details!
